

## RavageLan Rules

1. Drug and Alcohol Free event, (result will be a Permanent Ban from the Lan)
2. Clean whatever mess you make straight away, This includes the kitchen and around your lan space.
3. Don't break anything that isn't yours. (result will be asked not to go to next event held)
4. When you lose a game, lose fairly and quietly.
5. If you suspect someone of cheating and/or hacking, please contact an administrator immediately. They will look into the problem and take the necessary action.
6. No 18+ Content is to be displayed or shared to minors.
7. Do not touch any switch's or Routers during the event unless being asked to by a admin.
8. No Smoking is allowed inside the building, if needed be outside and well clear of the entrances.
9. No DDOS or any sorts of hacks are allowed to be made on the network, this will be noticeable as the networks are monitored.
10. Refunds or discounts will not be given if you only stay at short period of time or end up not gaming.
11. Ensure DC++ Is Fully Hashed before event, we really hate it when people do this during event instead of night before.
12. No Private/Password protected Servers at the lan.  
(Ask a admin to throw the game up if requested)

I .....(Print Name),

Agree to all of the above rules, and will accept any action taken by the admins should I breach any of them.

I acknowledge I will be responsible for any related costs should I damage or destroy the venue, equipment or another lanners property.

I will comply with any reasonable request made of me from any of the admins for the duration of the lan.

I acknowledge that being present at the lan and partaking in related events may have hazards, that the admins have taken all reasonably steps to remove/minimise them and that should in the unlikely event something should happen to myself or my equipment, I will not hold RavageLan and/or any of the admins responsible.
